****** Auslan and all Aboriginal languages are charged at a higher rate – please refer to the provided Charter of Fees or enquire before making a booking. Some regional Aboriginal languages currently available over the phone only. Please check at the time of the booking.

IMPORTANT: *list frequently updated/extended as newly credentialled translators and interpreters become available in the languages tested by NAATI each year, and/or are recommended by community leaders as experienced and suitable to provide interpreting services in professional settings.*

Some rare for SA languages may have very limited availability particularly when females are required.
